

Avery Federal Savings Set

I probably wouldn't ordinarily showcase a Savings & Loan set, but this one happen to made up of very nice Matchoramas.

The set is made up of 7 (I assume) Universal Matchorama reverse-strike 30-strikes. Each shows a scene from Louisville, Kentucky:

- Belle of Louisville
- Skyline of Louisville
- Churchill Downs
- Locust Grove
- Hogan's Fountain
- Louisville, Kentucky
- Louisville Water Company Pumping Station

A very nice set, indeed, and one that certainly makes me yearn for all those bygone Mathorama days.

Ah, well...
