

KNOW YOUR COVERS!

The Hamilton Match Co.

This is a little known company and very tiny category. Certainly, it did not produce very many covers. It was a Cincinnati-based company; it may have even been a subsidiary of General Match Co., which was also located in Cincinnati.

Although the dates I have for the company are 1939-1946, I wouldn't be surprised if the company had actually stopped production well before 1946. Only 39 covers currently listed, so you'll have to be very lucky to come across even one of these!
