## Ohio Girlies

This refers to two Girlie sets/series from Ohio Match Co.. Vargas Set #1, by the noted artist, came out in 1953 and consists of five different girlies, one of which is shown here on the far right.

Ohio also produced a series of girlie singles known as Federal Truck singles. There are seven different girlies to be seen in this group, such as the one seen here.

As Girlie sets go, the Ohio issues seem to be fairly hard to come by, at least judging from my own experience. After 30 years of collecting Girlies, I only have 3-4 sets (dif advertisers) of Vargas #1 and only four of the seven Federal Truck singles.
