

# Old Hotels!

By Mike Prero

The old Hotel covers have always been popular, and there are lots of interested collectors to attest to it. The art work is usually nice, the manumarks and footers are ones almost everyone pursue—whether they're DIAMOND MATCH, DIAMOND SAFETY FIRST, LION SAFETY FIRST, UNIONS, etc., they're just great covers. Of course, there is also the fact that most, if not all, of those great hotels, themselves, are long gone. So, as with many of the covers we collect, these covers chronicle once well-known landmarks and remind us all of what used to be.
